Explore and develop your own style of watercolour painting, discovering your own unique voice. Over the week Savva will reinforce the basics of perspective and drawing, mixing paints and tonal values going on to demonstrate capturing light and how to paint shadows. Painting plein air (weather permitting) and from photographs, students will be shown how to simplify complex scenes, drawing and painting landscapes, cityscapes and reflections.

Born in Sydney, **Savva** lived and studied law and fine arts in Athens, Greece, returning to Australia to continue his studies at UNSW. With a career as a professional photographer including the official photography for Sydney 2000 Olympics, Savva travelled extensively throughout the world, photographing and painting. Savva returned to his initial passion of painting, including teaching and conducting workshops around the world.

## MATERIALS LIST

---

**SUMMER** 2018  
3-7 January

### **Please bring with you:**

- 3 – 4 sheets of Arches or Saunders Waterford 300 gsm paper. You can purchase in sheets and cut down to 4 pieces.
- Watercolour palette with colours. If you already have one, just use that but if you're purchasing a new one I prefer Windsor&Newton artist grade. I use a Holbein metal Palette. But a plastic will do just fine.
- A selection of watercolour brushes, squirrel mop and synthetic plus a rigger brush.
- A mechanical pencil with leads for – B or 2B .
- A sharpener for 2mm Leads.
- A good "SOFT" Eraser the kneadable type is great.
- A smooth Backing board (to fit an A3 sheet comfortably) and masking tape. (2 inch masking tape is great).
- A table easel *if you have one*. A tripod easel would be ideal - use it as a table easel as well as plein air.
- A mug for your morning tea.
