Ceramic surface: Creating imagery with Cathy Franzi

LEVEL:

All

COST:

\$710 + \$25
materials

Learn to 'draw' textural imagery into the clay surface using carving, incising, sgraffito, water erosion and inlay techniques. This comprehensive course guides you through a printmaking approach to composition and includes tool making. Explore mark making on samples, before going on to plan and produce 4-6 ceramic forms using slab or wheel forming techniques, pursuing your own designs.

Dr Cathy Franzi is an award winning ceramicist who utilises her scientific interest in plants to express ideas about the current environment. An experienced tutor, Cathy has taught at ANU and various community workshops nationally. Her work is held in numerous public and private collections and she is represented by Sabbia Gallery and Beaver Galleries.

- The Summer School runs for 5 days between Wednesday 3rd - Sunday 7th January 2018.
- Classes are held from 9am to 4.30pm.
- Freshly made morning tea with tea/coffee is provided.
