A practical search for solutions in the 'Still Life' genre with an emphasis on composition, tone and colour decisions to finely detailed finished work with a respect for individual style. Working in acrylics, we use seasonal fruit, foliage, vegetables, china and linen as props. Learn to make big decisions about small things! The process is both meditative and exhausting.

**Charlotte Thodey** has exhibited her work for over 25 years and has produced a number of posters for the Botanic Gardens and Historic Houses Trust as well as devising and illustrating books. Charlotte regularly teaches classes at the Royal Botanic Gardens in Sydney and exhibits her work in Australia and France.

- The Summer School runs for 5 days between Wednesday 3rd - Sunday 7th January 2018.
- Classes are held from 9am to 4.30pm.
- Freshly made morning tea with tea/coffee is provided.
